HOLLY & ELLA

The competition gets serious.

Too many drinks at the pool table can make the game very interesting, especially if there's already tension between the two beautiful players. But the tension quickly melts away as their inhibitions loosen. It really doesn't matter who the winner is as long as we get to watch them at play. Now, don't get the table messy.

THE MAN CAVE

STUDYING LESBIANOLOGY

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

I'm sitting with my wife reminiscing on our college days. She's telling me about her second lesbian experiernce in college...

"I had my sights set on a fellow student... and I was determined to get her!"

I'd been flirting with this girl, Julia, in my Physics class for some time now, and I really wanted to grind pussies with her. Since we're both 19 years old, and they say that college is a time for experimenting, I invited her over to my place to see if she would respond to my well-toned body and some lewd advances.

I greeted her at the door braless and wearing a flimsy, see-through blouse. I noticed that Julia couldn't take her eyes off my tiny breasts and erect nipples. I'm much smaller than Julia, and she had often commented that I reminded her of a pixie. I hap-

pily explained how I go braless whenever possible and how she, too, might feel more comfortable if I helped her out of her bra.

She readily agreed, so I reached behind her and under her sweater to unhook the bra straps. I brushed my hands gently over Julia's saucy, full breasts and she let out a deep sigh at my touch. The feel of her breasts was irresistible and the hair on my arms rose with a chill.

I liberated her shapely breasts from the bra and rubbed them with both hands. I told her it was important that I rub her in order to enhance her comfort. She agreed that it was indeed much more comfortable to go braless and figured that it would be even better not to wear any underclothing at all. She then asked, since I had helped her out of her bra, if I would also mind helping her out of her panties?

I moved Julia onto the couch and laid her down on her back. I slid her skirt off and slipped my fingers into her panties. Gently peeling back the silky material, I took care to move extra slowly around her musky pussy.

I was delighted at the sight of Julia's hairy pussy and asked her if she would like to view mine. Julia was extremely interested in seeing me naked as well, so I pulled off my own jeans and exposed myself to her.

She exclaimed that I had the most beautiful pussy and told me that she was falling in love with it. By then, of course, I was completely enamored of her milky-smooth flesh. The huge crack between her pussy-lips looked so sweet I couldn't help but lean down for a lick. My senses filled with her unique, musky odor, and I hoped I didn't seem too anxious when I practically begged for permission to kiss those full folds.

At that moment she demanded to see my breasts. I complied, and we stood together rubbing breasts, her huge ones seeming to swallow up my little ones. Breast to breast, we pressed our bodies together and clenched each other's buttocks.

She pushed her hips toward me, making it easier for me to cuddle and kiss her pussy. I held her by the hips and brought her close to my mouth. From there, I went wild, sucking zealously at her pussy as if it were my last meal. I couldn't get enough of her and buried my whole face inside her, coming up for air only to nestle in the smoothness of her skin. I sucked and chewed on this beautiful girl until she forced me to my feet.

At that moment she demanded to see my breasts. I complied, and we stood together rubbing breasts,

her huge ones seeming to swallow up my little ones. Breast to breast, we pressed our bodies together and clenched each other's buttocks. I finally pushed her down on the couch and spread her legs wide apart.

I lay down on top of her, and we started to grind our pussies together. I opened her hefty pussy-lips so my own petite ones easily fit inside. I became instantly wet from her juices and pumped up and down harder against her. Rubbing our pussies together in that fashion, I felt an orgasm boiling up inside me. I didn't know what I wanted more. I loved grinding against her, but at the same time I wanted to bury my face in her again.

Julia soon began to shudder in orgasm, her whole body shaking and rocking against me. As she came with my pussy still enfolded in hers, I held her buttocks and forced myself harder against her. With one hand, I crept within the crack of her ass and spread her cheeks slightly apart. I used one finger to explore her generous asshole. This maneuver was so intense that I came within seconds.

Once I calmed down a bit, I instructed Julia to stand up and bend over the dining room table. I just had to get another look at her fabulous pussy, and from every angle possible. I knelt down behind her as she bent over with her legs apart. With my index finger, I moved in and out of her asshole at the same time I devoured her. Julia screamed with delight and begged me to insert another finger.

Eventually, I was rocking her entire body back and forth against the table with three fingers inserted into her asshole. We both came again as I held my face tightly against her pussy. She demanded even more pressure inside her ass, so I managed to squeeze in another finger.

Pretty soon, I was shoving four fingers in and out of her ass at an incredible pace. I pushed my other hand completely up her roomy pussy and explored every inch of her insides. Soon both my hands were soaked with her wetness, and when I finally removed my hands from inside her body, I took the time to lick my fingers clean. This gave me a proper taste of the sweet girl I had just fucked.

Once I calmed down a bit, I instructed Julia to stand up and bend over the dining room table. I just had to get another look at her fabulous pussy, and from every angle possible. I knelt down behind her as she bent over with her legs apart.

We finished our evening together lying on the couch, gently stroking each other's beautiful pussy. It was a magical night of lovemaking, made all the more special now that I have described it to others.

BRIDGETTE & JAYDEN

Girls gotta have fun.

I'm the lighting guy on this photo shoot, and I'm sitting with the editor who said I can help him write a description of the scene... First, I can't believe how amazingly gorgeous both of these ladies are. And their boobs and pussies are just as 'wow.' I like the way they lick each other's pussies and then put their fingers inside. And, to me, it looks like they have used vibrators before because they sure know what to do with them... I'm done? Why?

KEISHA & SASHA

Artist and model.

After visiting an art gallery in SoHo and seeing some of the price tags for drawings there, Sasha has decided that she wants to become an artist. She's enlisted her best friend Keisha to model for her. After a long two hour session, the girls decide to get a little more personal, and it's no time at all before both artist and model are naked.

BUSINESS TRIP

Her steamy pussy covered my nose and mouth like a mask. Her hips pumped wildly as my tongue probed the depths of her quivering snatch. Her face rolled around on my erect prick as she gasped and moaned and came again.

Kathy has been my best friend for over five years. She is almost like a sister to me. Always there when I need her. Ready to listen. Even my wife trusts Kathy. And until last night, she never had any reason not to.

Kathy is a beautiful woman. She's about my age, in her early thirties, with blonde hair. She's five-four and built like a fashion model. We've always been able to talk about anything. She is the ideal best friend. I guess we trusted ourselves too much. That's what led to the uncontrolled night of lust.

We work for the same company, but in different departments. We met at work and we travel together frequently on the job. It gets very lonely out of town and having someone to talk to is really nice.

We've explored dozens of cities together. We both love sightseeing. Often we've wandered around a strange city late into the night, holding hands and gawking at the various sights, just like two kids.

But this trip was different. We had to go out of town on short notice. I hate the hassle of emergency trips. And the trip was arranged so quickly that the hotel reservations got messed up. Only one room was booked. There was a convention in town, so we had no alternative but to share the room. Neither of us thought anything about it. After all, she is like a sister.

I liked the idea of having her company. We were so open about our relationship that each of us told our spouses about the arrangement

The room was huge. There were two double beds. I liked the idea of having her company. We were so open about our relationship that each of us told our spouses about the arrangement when we made in our usual check-in call home. My wife teased me about behaving myself "with a strange woman in the room." She knew nothing would happen. At least, that's what she thought. Kathy's husband felt the same way.

We had dinner in a nice restaurant, explored the city, and returned to the room around eleven. We'd had a few drinks, but neither of us was drunk. We lay on our separate beds and watched the news on TV. We were both still dressed.

Kathy made the first move to get ready for bed. She stood and stretched, yawned and put her hands above her head, reaching for the ceiling. I couldn't help but notice how sexy she looked, with her breasts pushing against the soft silk blouse and the skirt clinging to her shapely ass and legs.

"If we weren't such good friends," I teased, "I could really go for you." She put her hands under her tits and pointed them toward me. "You just say that because you're a tit man," she replied. For as long as I can remember, she has teased me about my preoccupation with breasts.

As a matter of fact, that is how we met. We were in a company sem-

inar. She had on a blouse that displayed her mouth-watering boobs every time she leaned over, which she did frequently. She caught me looking. "Take me to dinner and you can look at them all evening" were the first words I ever heard her say.

We went to dinner that evening. I couldn't help but watch her boobs the whole time. But there was a spark between us that was more than sexual. I loved just listening to her talk. We stayed out late, talking and getting to know one another. We had a hard time staying awake the next day. It was the beginning of a lasting friendship.

Kathy took her hands from her boobs and headed for the bathroom. She exaggerated her wiggle as she looked over her shoulder and whispered huskily, 'Want to give me a bath, Rog'?"

"No, thanks," I replied. "I have a weak heart." We both knew she didn't really want me in the bathroom with her. I lay there watching the news, totally peaceful and relaxed. The running water was unable to drown out her off-key singing. It was nice to have someone in the room with me. I didn't feel the least bit homesick.

Suddenly there was a scream and a loud crash. I sprang from the bed and raced into the bathroom. Kathy lay sprawled in the tub, one leg hanging over the side. The shower was splashing on her body, but she wasn't bleeding. She was barely conscious, however. Her eyes were glassy.

I picked her up and carried her to the bed. With her arms around my neck, she hung on like a frightened child. Even while I worried about her, I couldn't help but notice how soft her wet and naked body was in my arms.

I was ashamed of myself, but I have to admit that I had an erection by the time I put her on her bed. I sat beside her on the bed and patted her hair. My elbow rested on her soft, round tit. Before I realized what was happening, the nipple began to stiffen.

"You wouldn't take advantage of a girl in a weakened condition?" she asked, the hint of a smile on her lips. "You know how I am about tits," I replied, as I gave the nipple a tiny tweak.

Once I had put my hand on her breast, I couldn't seem to move it away. I left it resting on the warm, soft tit and felt the slow, steady rhythm of her breathing.

I sat on the edge of the bed, stroking her breasts for about ten minutes. Slowly, she began to regain her senses. She insisted that she wasn't hurt, except for her pride and her ass, which received the blow from the fall.

I was relieved that she was not injured seriously. I even teased her about having plenty of padding back there to cushion the blow. She rolled over and asked me to check for bruises. Being naked around me didn't seem to bother her in the least. It sure as hell bothered me. My prick was stone hard.

She lay face down on the bed, her legs spread wide open. I had trouble concentrating on checking her ass. I couldn't take my eyes off of her pussy. It was clearly visible and still wet from the water. The soft, pink lips made my prick jump.

Finally I managed to complete my inspection. There was only one tiny black-and-blue mark. It was just below the curve of her ass and almost on the inside of her thigh. I put my fingers gently on the spot and gave her the damage report.

She flinched a little when I touched the bruise. My hands shook. Her tempting pussy was less than two inches from my hand. I could actually feel the heat from her furnace. "Kiss it. Make it well," she purred.

My heart stopped. I didn't know if she was teasing or whether she meant it. My mouth watered at the thought of kissing her thigh, so close to her hot, wet box. "Do it!" she insisted. "My mom always said a kiss

would make any hurt go away."

Once I realized that she was serious, there was no stopping me. I placed my face over the spot and very gently kissed it. The heat from her sweet pussy bathed my face and the fresh female smell made my head swim. "Oh, yes!" she gasped. "It feels so good. More," she begged. "Kiss it some more."

Her hips began squirming and the lips of her tempting pussy gaped open as I kissed and licked the entire inside of her thigh. I licked her leg all the way up to her pubic mound. The soft cunt hair tickled my tongue.

The closer I got to her steaming box, the more she squirmed. She was getting hotter by the minute and I was ready to explode, but I held off. Kathy was a friend. She trusted me completely. What kind of a jerk would take advantage of a girl in her condition?

While I still had the willpower, I pushed myself away and stood by the bed, facing away from her. I was trying to conceal my hard prick. "I'm gonna get ready for bed," I said, "before we do something we'll both be sorry for." She rolled over and smiled.

She stretched her legs wide. Her pussy was pink and wet, the lips swollen. Her clitoris stood proud and tall, begging to be kissed. I started toward the bathroom to get ready for bed. "Hey," she whispered. "Why be modest? You might as well undress in here. You've seen everything I've got. It's only fair to return the favor." There was a mischievous smile on her face as she licked her lips.

I didn't answer. Instead, I unbuckled my belt and let my pants fall to the floor. My shorts and shirt quickly followed. I was naked, my back to her. My prick still stood straight out. I was embarrassed, but finally I turned to face her. Her eyes widened as they homed in on my stiff rod. She licked her lips.

"Did I do that?" she teased. I nodded and slowly walked toward her, stopping when my prick was only inches from her face. I was in a trance. She reached out and cupped my aching balls in her soft, warm hands. She moved her head forward and her tongue lapped up the drop of pre-cum from the tip of my prick. My rigid pole jumped at the touch of her hot, wet tongue and bounced against her nose.

"Whoa, boy," she giggled, as her hand gently grasped the shaft and guided the swollen purple head into her ready mouth.

Automatically I moved onto the bed and straddled her face, my cock deep in her mouth and my face over her hot snatch. I pulled her pussy lips apart and began making love to her slippery clitoris. It was sweet and hot and wet. It actually quivered under my tongue.

Meanwhile, her head bobbed up and down on my prick. I felt an explosion coming. Seconds later it happened. The first gush of hot jizz squirted into her sucking mouth as she locked her knees against my head and began humping wildly against my face. We came together for what seemed like hours.

We fell asleep in that position. The alarm clock woke me from the best sleep I've had in years, my face still resting on her soft bush. I kissed her wet pussy. "Good morning," I whispered.

She yawned and kissed the head of my soft prick. 'I'm hungry," she said. Then she took the entire length of my limp dick into her mouth and rolled it around on her tongue. It sprang to life instantly. I rolled her clitoris between two fingers as my tongue tickled her wet channel. We each had a long orgasm. Then we dressed and went to work.

We've talked about our scene many times. We've told ourselves that what we did really wasn't cheating on our spouses. After all, we didn't fuck. I'm afraid that will be just a matter of time, though. Actually, I'm really not afraid. I'm rather looking forward to our next business trip.

Having fun with the double dildo.

Celeste and Lena are pretty good friends, but today they are going to be better friends. They're going to get to know each other more intimately. Celeste is going to meet Lela's pussy face to face; and Lela is going to introduce Celeste's pussy to her mouth. And later they'll share a big red, plastic double dildo!
